Dear Mrs. O'Brien:-

With reference to your enquiry regarding the effects of your son No. 3476 L/C. Justin O'Brien, deceased and also your request that application be made for a photograph of his grave, I have to inform you that in reply to our communication to the Chief Paymaster, London instructing that endeavours be made to accede to your request, a letter has to-day been received which informs us that application was made to the D.G.G.R. & E. for a photograph of your son's grave, and if one is procurable it will be forwarded to you when received.

With reference to the effects, we are informed that none were recovered, owing to the Battalion being constantly on the move in Oct. last when D/C. O'Brien died of wounds and communication with Rear Headquarters was very difficult and frequently impossible. It is regretted that fuller information cannot now be obtained as practically all other ranks who were with their Units at that time have been demobilised and repatriated.

Yours faithfully,

Lieut. Col.,

Regarding effects: following from C.C. 1st Bn. to A.G.'s office at the Base is quoted for your information:

Dear Sir:

Enquiries have been made by friends of the late No. 3476 L/C. Justin O'Brien, regarding any effects that may have belonged to him, who state that you saw some of his personal belongings while at Rouen.

Kindly forward us a detailed statement of effects of the above named and the circumstances under which you saw same. You will readily appreciate the seriousness of this matter when we say that no trace of any effects belonging to O'Brien can be located by the London Office.

Thanking you for an early reply.

Yours faithfully,

Lieut Col  
Chief Staff Officer
