Dear Judge Kent,

I am in receipt of your note, with regard to Private John Oliphant, and just as I was reading it, a memorandum came from His Excellency the Governor, giving the information that Oliphant was admitted to the Casualty Clearing Station, on the 3rd of March, suffering from Myalgia. I at once telephoned his father, giving him the information, which came forward because of their request by wire, from His Excellency the Governor to Capt. Timewell.

Dear Mr. Bennett.

The parents of Private John Cliphant are very anxious about him - reports have been received that he has been killed in action in France. It is stated his death occurred in January last but they have not been able to obtain any official information which would remove their anxiety - do you think you could get the information for them by a cable to the Prime Minister who

is now in London.

Any thing you may do
in this direction will be greatly
appreciated by the friends of
the young soldier.

I regret to trouble you but
I think the great strain of
anxiety under which his
parents are labouring will
be a justification

Yours truly

 (e) Avoid dubiety—"perhaps" "possibly" "might" and the like.
 (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

1701 John G. Oliphant.

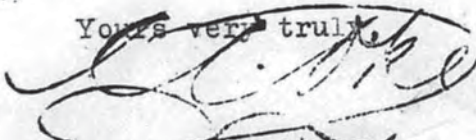

Dear Sir:

With reference to the case of the marginally named man, I beg to state that in 1920 his pensionable disability was considered to have ceased, and he was given a "Nil" pension, therefore, we can do nothing to help him.

In replying to Mr. McManus, we would suggest that you tell him to have Oliphant forward a Medical Certificate to this Office. If it is shown that he is suffering from any disability, his case will be reconsidered.

Letter is returned herewith.

HENRY C. MCKENNA
CHIEF PROBATION OFFICER

Aug. 19th, 1925.

Capt. James Howley,
Militia,
St. Johns, N. F.

Dear Sir:-

We are writing you in behalf of John G. Oliphant, who served in the Royal Newfoundland Regiment and who was receiving \$60.00 per month from the Government and for some reason the same was stopped.

He has a domestic case now before this Court, and this matter was brought to our attention. If it were possible to have the allotment returned to Oliphant, it would greatly assist his family, which consists of a wife and five little children, ages from 6 yrs. to 2 mos. He seems to be very much in need of this assistance and from what he informed us, he thought that he was to receive the allotment for life, and was in a quandry why it was taken away.

If there is anything that we can do to assist you in this matter,- that is any information regarding him which will be of any help to the Government, we will gladly furnish it upon request.

Please let me hear from you at your early convenience.

Yours very truly,

Joseph A. McManus
Probation Officer.
