NOTE.—This notification is sent in order that the Officer i/c Records, at the time the soldier's documents reach him from the Discharge Centre, may be in possession of particulars of the soldier's children or dependants in respect of whom separation or dependants' allowance is being paid.

The particulars of the children are required by the Ministry of Pensions at the time of assessing the soldier's pension, and it is important that this Army Form should be returned to the Officer i/c Records in time for it to be despatched to the Controller, Ministry of Pensions, with the soldier's documents.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

OPINION OF THE MEDICAL BOARD.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—

- (a) Any disability claimed or discovered. *Pain in right chest region.*
 (b) The present condition thereof.

Scar from operation in appendix region should cause no disability, but has the same pain as before operation.

22. State whether the disabilities are:—
- | | | |
|--|---------------------|-------------------|
| (i) Service during the present war | (a) Attributable to | (b) Aggravated by |
| (ii) Previous active service | <i>yes</i> | |
| (iii.) Climate in pre-war service | | |
| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the part of the soldier | <i>no</i> | |
- Give details:

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it? *Military Service Conditions*

23. Is the disability in a final stationary condition? If not

- (a) How long is the present degree of disability likely to last?
 (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures). 60% 3 months
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army? ✓

25. If an operation was advised and declined, was the refusal unreasonable?

If the Military Member is in disagreement with the Civilian Members, he is to state his opinion in the space provided.

26. (a) Do the Board recommend discharge as physically unfit for further War Service, i.e., do they place him in Grade IV. only? Yes
- OR
- (b) In what other grade do the Board place him?
- (c) Do the Board recommend change to the United Kingdom (in the case of a soldier invalided at a foreign station)?

Opinion of Military Member in case of disagreement.

Only to be answered when the soldier is placed in other than Grade IV.

27. Do the Board find that the soldier has suffered any impairment in health since his entry into the Service? Yes

28. Is treatment being recommended on Army Form B. 179c?

29. Does the soldier require:—

- (a) An attendant for his journey home?
- (b) Transport from railway station to his home?
- (c) The constant attendance of another person in his own home?

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

**Pain in right Iliac region.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?
