GUN SHOT WOUND LEFT WRIST
DEBILITY (AFTER EXERTION)

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. **Gun shot wound 1/6/16**10. Place of origin of disability. **France**

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

Gun shot wound left wrist 1/6/16. Piece of bone removed. Wound healed slowly.

Diarrhoea in November 1917. seven stools daily. Mucus present. No amoeba, enteric or dysenteric organism found.

Rheumatic pains in shoulders, legs and back.

12. (a) Give your opinion as to the causation of the disability.

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

Active Service

18. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

General condition fair. Occasional attacks of pains in shoulders and back, coming on in damp weather.

Ring and little fingers of left hand remain in semi flexion. Patient unable to extend fingers. Wrist movements good.

14. If the disability is an injury, was it caused

- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

- If so—(a) When?
(b) Where?
(c) Opinion?

16. Was an operation performed? If so, Removal of bone
what?

17. If not, was an operation advised and declined?

18. In case of loss or decay of teeth. Is the loss of teeth the result of wounds, injury or disease, directly* attributable to active service?

19. Do you recommend

- (a) Discharge as permanently unfit,
or
- (b) Change to England?

Reclassification

(SGD) F. F. BELL, C. S.

Officer in medical charge of case.

I have satisfied myself of the general accuracy of this report, and concur therewith,
except†

Station WANBSWORTH, S. W.,

Date 13/2/18

Officer in charge of Hospital.

* Loss of teeth on, or immediately after, active service, should be attributed thereto, unless there is evidence that it is due to some other cause.

† Delete this word if no exceptions are to be made.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165, Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

YES

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

G.S.W. ACTIVE SERVICE CONDITIONS

21. Has the disability been aggravated by

(a) Intemperance?

NO

(b) Misconduct?

NO

(c) Any of the conditions mentioned in Question 20, and if so which?

22. Is the disability permanent?

YES AS REGARDS WOUND

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{4}$, $\frac{1}{2}$, $\frac{3}{4}$, or total incapacity.

80%

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

25. If an operation was advised and declined, was the refusal unreasonable?

26. Do the Board recommend

(a) Discharge as permanently unfit, or

YES

(b) Change to England?

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war; *Yes*
- (ii.) Climate; *—*
- (iii.) Ordinary military service; *—*
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *No*
- (v.) Whether it is constitutional or hereditary. *No*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *Y.S.W. & Active Service Conditions*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

*(Head)?
Yes as regards hand*

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

*80%
vide 16*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) ~~Change to England?~~ *Yes*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital; *as an outpatient*
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 114 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

June 15th 1920.

R
FROM: Officer i/c Records.
TO: Chief Staff Officer.

In furtherance to our conversation of yesterday re promotion of the undermentioned N.C.O's of this Department.

#927, a/S.Q.M.S. Pardy, N.

I beg to recommend that a/S.Q.M.S. Pardy be appointed Acting Staff Sergt. Major. I have found him always conscientious and keenly interested in his work and the present high standard of efficiency in this Office is due in no small measure to the manner in which he performs his duties daily.

#2030, Sgt. Joyce, W.T.

I beg to recommend that a/Sgt. Joyce be appointed Acting S. Sergt. He has proven himself to be an efficient and capable clerk and well worthy of further consideration. The recent reduction in the personnel of this Office has necessitated an extra effort on his part and he is performing his duties very satisfactorily.

In recommending these promotions I feel sure that you will agree with me that the pay of these men at present is by no means adequate to the daily increase in the cost of living, that the ranks held at present are not equivalent to the nature and importance of the work being done, and that further promotion for these men will show them that their services are appreciated

and

and will tend to accelerate the work to a final and speedy conclusion.

I trust that this recommendation will receive your customary and generous support and once more confirm your interest in the welfare and good will of the Staff.

I have the honour to be,
Sir,
Your obedient servant.

Sir,

It is with some modesty that I take this opportunity to point out to you the status of the personnel of this Office as compared with that of the Pay Dept.

I have been performing the work and duties of a Super. Clerk of the Central Registry since last May (Lieut. Warren having been admitted to Hospital) and as the grading of a Superintendent Clerk has been inaugurated in this Department for the first time, I respectfully ask that I may be favourably considered.

Trusting that this matter will meet with your approval, I beg to remain,
