Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Sir, St. John's -

Since I mailed my letter of recent date - in information of my non receipt of fraternal payments of January and February - I have received that of January. On the 10th of March I received it, but February's is due. Still on the score of this payment I have no cause at present for uneasiness, in view of the state of the mails.

Thanking you Sir for the payments duly made and the hope that I have caused no unnecessary trouble to your office

Dear Sir:-

Of a gratuity extending over five months, to which I understand my period of service entitles me I have received but one of three months.

For each of the months of October, November and December I received a payment to the usual amount of seventy dollars, 70⁰⁰. What of January and February's payments? Of February's the mail service may explain a delay but over January's I am puzzled.

I informed your office of my whereabouts but making no use of such information they sent the separate cheques of October, November and December to my home address at Bay Roberts. After a circuitous route the three eventually reached me at my present address in Montreal. It might well have happened that the cheques of the latter two months were sent to Bay Roberts and got into another's hands; for of Parsons in Bay Roberts there is not a few. Meanwhile I have no knowledge as to whether cheques for January and February have been sent from your office or not.

I shall be very grateful for information regarding the number of months gratuity to which I am entitled and as to the number of months for which you have already made payment and in the event of the fourth and fifth's months cheques having been sent by you, as to how I may best get hold of them.

Will you kindly reply at your earliest convenience. I am sorry to cause bother but I am attending Mc Gill University here and the

Dear Sir:

Your letter, ^{March 23} with the enclosure of a cheque for \$38.45 caused me a little perplexity; but at the date of receipt, I had little time to deal with the matter as the University examinations were imminent.

Each of the preceding payments of my War Service Gratuity - to the number of four - was to the amount of 70^{00} . This one - the fifth and last - is to the amount of \$38.45. If I am entitled to five months Gratuity, is not the fifth payment to be equal to any one of the others?

I left the Regiment with the rank of Sergeant. The letter above referred to was addressed to me as ex private, and upon the possibility of a mistake (as the fact may indicate) in the amount due me, I am writing.

Will you kindly see, Sir, that I am informed as to whether I am or not entitled to the remaining \$31.55. Three hundred and fifty dollars (350^{00}) - 5 months @ 70^{00} is the amount of a five months gratuity - is it not? I have received but \$38.45.

Hoping that the required information will be forthcoming at your earliest convenience
I am, Yours Respectfully
