Dear Sir Walter Davidson,

D. Paterson & myself.

very much appreciate your kind  
note of sympathy, and sincerely  
hope that Grant will soon be  
all right again and fit for  
the front.

I am sorry so many of our  
soldiers have been wounded.  
Grant was lucky to come out  
of it so well. I am sure the  
Battalion will be proud to have  
been in the thick of it.  
Please convey our sincere thanks  
to Lady Davidson

Believe me  
Yours very sincerely

**INSTRUCTIONS TO BE OBSERVED BY THE MEDICAL BOARD PREPARING THE REPORT.**

1. On the occasion of an officer's first appearance before a medical board, the circumstances under which the wound or injury was sustained will be fully detailed.

2. If the injuries be more than one, they should be numbered and described separately; and should it be considered that, though only "severe" or "slight" in themselves, they represent together the equivalent of a single "very severe" injury, such an opinion may be expressed in the columns provided for that purpose.

3. The Board will not express any opinion, either to the Officer examined, or in their report, as to whether he is entitled to compensation, or as to the amount of it, nor will it inform the Officer how the wound or injury has been classified.

4. If an Officer makes any enquiry as to wound gratuity he should be told by the Board that he should make application in writing to the Secretary of the War Office.
