(ii) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

| (iv.) Ordinary military service before the war | | |
| (v.) Serious negligence or misconduct on the man's part. } | | |
- 14 (a). If not due to any of these causes, to what specific condition do you attribute it? }

In all cases such as facial injuries, eye, ear, nose and throat, disabilities, etc., a specialist's report is to be attached with radiographs where possible; and in cases of amputation the exact position should be stated.

15. What is his present condition?
(A note should be made as to Weight in all cases when it is likely to afford evidence of the progress of the disability.)

 17. If not, was an operation advised and declined?
 18. *In the case of loss or decay of teeth,—Is the loss of teeth the result of wounds, injury or disease directly attributable to active service or through service under such conditions that dental treatment was unobtainable?
 19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding. State whether or not they are attributable to or have been aggravated by service during the present war, and if so, to what or by what specific military conditions?

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
