The nature of the casualty is required for telegraphing details overseas. If the details given are insufficient, reference back to the hospital for further information is rendered necessary. The following instructions should therefore be carefully followed in all Colonial cases:

(a) In the case of sickness, the nature and degree should be stated, e.g., enteric, slight.

(b) In the case of wounds, the nature of the wound, the part of the body affected, and the severity of the injury should be stated, e.g., gunshot, skull, severe.

If a limb has been amputated the fact should be recorded.

NOTE.—These rolls should be forwarded direct to the War Office, Alexandra House, Kingsway, W.C., not later than the day after admission; envelopes to be marked C. 2, Casualties; rolls are not to be telegraphed in advance. The duplicate of the rolls should be sent to the Officer in charge of Records of the Colonial Contingent concerned.

Admissions to the outlying sections of the hospital should be shown separately.
