Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) *The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.*

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

*Dalness with distant breathing at night time.*

21. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

*Yes*

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

*G.S.W.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

*40% 6 months*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

*Yes*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

*Advise X-ray photo (lungs)*

29. With reference to Army Council Instruction No. 1275 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

Dear Sir I am taking  
the liberty of writing you  
concerning the Bonest money  
or over sea money that  
I understood when being  
discharged that we were  
to receive after the 1st of  
march and I also understand  
that all the boys around  
here have received their  
first payment of \$ 70.00  
long ago But I have not  
heard a word about mine  
now Sir I suppose it  
is natural for everyones

to look after their own  
interest - so knowing now  
other that I thought would  
be interested enough in  
this affair to see what  
the trouble is I thought  
I would be justified in  
writing you concerning it  
now Sir if you will oblige  
to see into this matter I  
will be grateful to you as  
before still holding my best  
Respects for you I am

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification, depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sir:-

I am in receipt of your letter of June 10th, in connection with your claim for transferring Douglas Pelley No. 3456 and A. Pelley No. 8163 to Millertown Junction. As far as I can ascertain from the Pay Office of this Dept. no money has been paid for the passage of these two men. Apparently Edward Bartlett of Rattling Brook conveyed Pte A. Pelley when he came up the second time to join the Foresters. Please let me have your figure in order that your claim may be adjusted.

Yours faithfully,

Lieut.-Col.,
