Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. 9. 4. 18.
10. Place of origin of disability. Peskendaele, Belgium.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

- (b) constitutional or hereditary, and not aggravated by service during the present war.

Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to **enable him to decide upon the man's claim to pension.**

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.
- (iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
 (ii.) Climate;
 (iii.) Ordinary military service;
 (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
 (v.) Whether it is constitutional or hereditary.

yes
 yes
 no
 no

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

active service & exposure.

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

no.

23. Is the disability permanent?

no.

24. If not permanent, how soon do the Board recommend re-examination?

Three months.

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

100.

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

vide 15.

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
 (b) Change to England?

Yes.

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
 (b) Hospital;
 (c) Convalescent home;
 (d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

as out pt for six months.

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

no

30. Does the man require the constant attendance of another person?

no

TO CORRECT ERRORS BRING THIS BILL

Printed at The National Cash Register Company, Dayton, Ohio

February 23, 1919

Dear Sir:-

Your letter of January 28th., was received after the regulations governing Post Discharge Pay were superseded by those concerning War Service Gratuity, and reply has been delayed on account of the time required to make the necessary calculations of the War Service Gratuity.

Payments of this Gratuity will commence on March 1st., 1919, and will be made in monthly installments until such time as the amount due has been paid.

The amount due is calculated on the basis of a soldier's services, and any amount paid as bonus at the time of Discharge, and Post Discharge Pay if already paid, will be deducted from the total amount of the Gratuity.

It is necessary before payment is made, the enclosed Statutory Declaration be completed and returned to me.

As soon as it is received the first payment on account of the War Service Gratuity will be forwarded.

Yours truly,

Captain,
