Dear Madam:

With further reference to your application for Separation Allowance, I have been directed to inform you that same cannot be granted, because you cannot be considered to have been totally dependent upon your brother within the meaning of the regulations governing the issue of Separation Allowance. These provide that Separation Allowance can only be paid to a sister under the age of 17, unless it can be shown that she is keeping a home for the brother who may be at the War. In your case this condition is not existent, as according to your own statement, you were living with your brother Robert while Archibald was away.

Yours truly,

Major

P.S. I return herewith your brother's Discharge Certificate
