The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer in Charge of the Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.1.

Changes occurring in the description subsequent to the date of admission to pension should be noted in the margin.

Opinion of the Medical Board.

NOTE.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, and, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic diseases in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.
- (iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—
- (i.) Service during the present war;
 - (ii.) Climate;
 - (iii.) Ordinary military service;
 - (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
 - (v.) Whether it is constitutional or hereditary.

Yes
-
-
-
No

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

See previous

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

-

23. Is the disability permanent?

No

24. If not permanent, how soon do the Board recommend re-examination?

Six months

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

100

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

✓

27. Do the Board recommend—
(a) Discharge as permanently unfit, or
(b) Change to England?

Yes

28. If discharge is recommended it should be stated whether further medical treatment (including orthopedic training) is desirable in a—

- (a) Sanatorium;

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, so, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Medical Board, and the Life Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the General Hospital, Chelsea, London, S.W.1.

Changes occurring in the description subsequent to the date of admission to pension should be noted in the Life Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the General Hospital, Chelsea, London, S.W.1.

Dear Sir,

Reference your file no. D.V.A. 307-11-50 (W.S.R.3) 348304

Thank you for your quick reply to my request for replacement of war service badges. The C.E.F. Badge Class "C" No. 122602 is not the type of badge which I received on discharge in 1919 and I am wondering if it was properly forwarded. The original one was marked For Active Service. For what type of service was the Class "C" badge awarded? My service involved almost continuous time in France from May 1916 to the Armistice and then to Germany with the 18 Battery C.F.A. and included being wounded and being awarded the Military Medal.

I would appreciate information concerning the proper badge awarded for such service.

Yours very truly,

A. Hanabaker

Under # 348304, I served with the 18th Battery, C.F.A. during the first war. I have lost the war service badge which I received on discharge in 1919. If there are any more available, I would appreciate receiving one.
