### Medical Report on an Invalid

NOTES:—

- This report is solely concerned with Pensions.
- A single copy only is required.
- "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- Be as brief as possible compatible with lucidity.
- Avoid dubiety—"perhaps" "possibly" "might" and the like.
- Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

From Edmund Pike

Dear Mr Crocker

I ought to sit with pleasure to pen you a few lines on behalf of my young brother Neil to thank you for your kindness to him during his stay in hospital last Oct, every letter he is asking me to write you I would have done so before but I lost my own ground at war my thoughts as not been the same since, it is better late than never.

My mother is greatly upset about him, going back to France again or she would have wrote you herself. Mother is always talking of you for being so kind to look Neil up & carry him so far as of which he was no less than glad to get.

I sent him four parcels two in June & two in July would you kindly look them up & forward them on to him as he has not received them yet. I must now close trusting I have not taken up you time with my notes. other than to let us join with me in best wishes to you.

I Remain

Yours Sincerely

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
