Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Reference to this No., and your reply thereon: it is extremely doubtful whether mail advice will reach Headquarters, St.John's, to be effective from 1/5/16. In view of Ploughman's letter I suggested 1/5/16 in my memorandum 9/5/16, but the reply only reached here yesterday; therefore I have amended cancellation as from 1/6/16, which kindly observe when making up Ploughman's account in the Company Pay Book.

As referred to in my No.1682/155 5/5/16, the increasing number of cancellations of allotments is noteworthy. At present about 150 soldiers of the whole Regiment are without allotments. Under present conditions of course a soldier may do as he pleases in this respect, and your views on the subject generally will be much appreciated.

Sir,

Yesterday when I went as usual to draw my pay I was informed that I was six pounds sixteen shillings and five pence (£6.15.5) in debt. I fail to see how this can be unless I drew full pay for the months of May & June and at the same time my mother drew my allotment of seventy cents a day. If such is the case could you please inform me why such a mistake was made? Also would you please send me a statement of my account and a statement of money paid to my mother since May 1/16.

A reply addressed to me personally would very much oblige

Yours respectfully,

Capt.,

Paymaster & O. i/c Records.

Received. Cancellation will
be effective from June 1st
inclusive.

Several cases have come to the
knowledge of the Trustees of the
Patriotic Fund, in which soldiers
have declared no allotments, or
else have cancelled them after
sailing for England, leaving their
dependants here in distressful
circumstances - usually a burden
on the Fund or on public charity.
Some of these cases have been
referred to you individually.

Except in rare cases the Fund
will not assist those whose sons
or other relatives as the case may
be, have made no provision for
them in the way of allotment, the
Trustees taking the position that
if the son does not think fit to
help them, they cannot be consid-
ered to be greatly in need of
assistance.

If this were explained to the
men, they might be more desirous
of helping their dependants.

The matter of changing allot-
ments is one which is becoming
rather a nuisance to this office,
and I have no doubt to you as well,
I am taking the matter up with
the O.C. here, with a view to
having the men so arrange their
allotments here as to obviate as
far as possible, cancellation or
reduction, later.
