February 16, 1917.

Dear Sir,

I regret that, through inadvertence, an earlier reply has not been made to your letter of November 3rd last, respecting No. 1534, Private Arch. H. Porter, First Newfoundland Regiment, who was reported missing since 1st July.

I regret to say that the many enquiries which I have made of the Record Office, London, at the instance of many of the friends of other men who have been similarly reported, have not elicited any additional tidings of the missing soldiers. I understand it is a rule of the War Office that, if no tidings of men who have been reported missing are received after a period of from two to three months, it must be concluded that the worst has befallen.

As regards the rumours which have been circulated to the effect that some of the men reported missing on 1st July are prisoners of war in Germany I regret to say that careful enquiries which have been instituted have proved that this report is unfortunately groundless.

November 23rd, 1916.

Dear Madam,

For some time past the Imperial Government have been making enquiries in relation to those men of the First Newfoundland Regiment who have been reported missing since the action of the 1st July. I very much regret to state, however, that from the correspondence which has taken place, a copy of which I enclose, it is evident that none of them are Prisoners of War in Germany, and the authorities are, therefore, reluctantly forced to the conclusion that all these gallant men, whose names are given in the enclosed list, and one of whom was very dear to you, were killed in that fateful action on the 1st of July.

I desire to express to you on behalf of the Government, as well as for myself, the sincerest sympathy in this time of sorrow. We feel the loss of our loved ones, but it will, no doubt, be some consolation to you to think that he, for whom you now mourn, willingly answered the call of King and Country, did his part nobly, and fell, facing the foe, in defence of the principles of Righteousness, Truth and Liberty. Though he has laid down the earthly weapons of warfare, he now wears the Soldier's Crown of Victory, and his name will be inscribed upon the Glorious Roll of Honor, and be held in fragrant memory by all his fellow-countrymen. When the victory is won, and Peace again reigns upon the earth, it will be a comforting thought to you that in this glorious achievement he bore no small part.

I trust that you may have the Grace and consolation of the Great Father of us all at this time.

With sincere sympathy,

Believe me to be,

Your obedient servant,

Mrs. Lucy A. Porter,
Change Islands.

Colonial Secretary.

Dear Sir:-

Mrs. Aaron Porter of this place wished me to write you in reference to her son, Private Arch. H. Porter, No 1534, of the 1st Nfld Regiment, who has been reported missing since July 1st. Mrs. Porter is naturally distressed over her missing boy, and would be willing to pay for any cable messages of inquiry regarding him. Will you please let me know if you know of any means of finding out whether he is a prisoner in Germany or not. We noted by recent local papers that two or three of the missing lads had recently been located in Germany, and I suppose it is quite possible that there are others still unreported.

Thanking you in anticipation for this inquiry,

I remain,

Yours respectfully,

J. Roberts
