Short Form of Will.*(See instruction 4 on page 1).*

If a soldier on active service, or under orders for active service, wishes to make a short will, he may do so on the opposite page. It must be entirely in his own handwriting and must be signed by him and dated. The full names and addresses of the persons whom he desires to benefit, and the sum of money or the articles or property which he desires to leave to them; must be clearly stated. The mere entry of the name of an intended legatee on the opposite page without any mention of what the legatee is to receive is of no legal value.

The following is a specimen of a will leaving all to one person:—

In the event of my death I give the whole of my property and effects to my mother, Mrs. Mary Atkins, 999, High Street, Aldershot.

(Signature) THOMAS ATKINS,
Private, No. 1798,

Date, 5th August, 1914. Gloucester Fusrs.

The following is a specimen of a will leaving legacies to more than one person:—

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the Office Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
