Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is, (1) caused or aggravated by service in the present war, (2) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.
- (iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease. **SCAR OVER RIGHT THIGH HEALED NO DISABILITY. SCAR OVER LEFT PARIETAL REGION HEALED NO LOSS OF BONE. SCAR OVER RIGHT PECTORAL REGION (ENTRANCE) & NEAR ANGLE RIGHT SCAPULA (EXIT). WELL NOURISHED SPAT BLOOD AT TIME & A MONTH AFTER WOUNDING NONE SINCE.**
21. (a.) State whether the disability is clearly attributable to—
- (i.) Service during the present war **YES**
 - (ii.) Climate;
 - (iii.) Ordinary military service;
 - (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
 - (v.) Whether it is constitutional or hereditary.
- (b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? **G. SW.**
22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?
23. Is the disability permanent?
24. If not permanent, how soon do the Board recommend re-examination?
25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?
- Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil. **20% 6 MONTHS.**
26. If an operation was advised and declined, was the refusal unreasonable?
27. Do the Board recommend—
- (a) Discharge as permanently unfit, or **YES.**
 - (b) Change to England?
28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—
- (a) Sanatorium;
 - (b) Hospital;
 - (c) Convalescent home;
 - (d) Asylum; or
 - (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.
29. With reference to Army Council Instruction No. 1275 of 1917, is any surgical appliance recommended?
30. Does the man require the constant attendance of another person?

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (1) caused or aggravated by service in the present war, (2) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climate where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

(i.) Service during the present war;

(ii.) Climate;

(iii.) Ordinary military service;

(iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or

(v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

(a) Discharge as permanently unfit, or

(b) Change to England?

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

(a) Sanatorium;

(b) Hospital;

(c) Convalescent home;

(d) Asylum; or

(e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 144 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Dear Sirs.

I wish to enquire if there is any money lying for me in the Record office. My husband 1044. Pte Peter Powers, has written me to the effect, that I should be getting 30 Dollars a month from his Gratuity money, and as I have received nothing since my last Separation Allowance 10th April 1919. I should like to know particulars, regarding that money. And as I expect to leave this Country at the end of August. I should like to know if there is money, and if so, I should like it before I leave. As I require it.

yours Respectfull Sir,

Madam,

With reference to your letter 16/7/19 (4715) relative to your War Service Gratuity: Owing to information of the date of your husband's discharge not having been received at this office from Newfoundland prior to 11/4/19, Separation Allowance and Allotment were paid to you up to and including that date.

Your husband having been discharged on 6/3/19 an over-payment of 36 days Separation Allowance and Allotment of £4.17.9 and £5.18.4, respectively had been made, hence the deduction of these amounts from your War Service Gratuity.

I am Madam,

Your obedient servant;
