Dear Rev. Sir, Your letter of Oct. 1st. addressed to
Lieut. Col. Rendell has been passed to me for attention.

I wish to thank you for forwarding our correspondence re the
late Private Quinton to Rev. C. Hall and as we were really in doubt to
whom to address same we addressed to you feeling sure of your
assistance in the matter.

With regard to the late #4230 Pte. Rance Benger I would be
obliged if you would please advise the date of death, as our Records
show Pte. Benger as being Demobilised on July 4th 1919.

The ruling set down by the I.W.G.C. specifies that deaths
from wounds, accident & sickness occurring between the 4th Aug. 1914 and
31 Aug. 1921, will be considered as constituting a War Grave.

Again thanking you for past favours and awaiting an early
reply, I beg to remain.

Dear Sir: -

Received your letter of Sept 17.
regarding J. W. G. C. Stone. It is my desire to have the
same done that if its done free of cost. I have an
head stone to him. a one to put him with a Carbon
head on it. It would not suit to anyone else in my plot
to a different stone of either one in the cemetery.
It cost me \$36.50. I was thinking about taking
it up & putting it in the church porch. Its a thing
that I am unacquainted with in fixing up this
grave. I think in the summer would be best to do
that work. I think its rather late in the season
to do it now. If you intend to find it all free of

3525 Pte. A.E. Quinton (Deceased)

Dear Reverend Sir,

I beg to inform you that this Department has received the consent of the father of the above named soldier to treat his grave as a War Grave. With this end in view this Department is anxious to have the work completed before the frost arrives and, if possible, we would prefer to have the work done by a local man from Southern Bay, if one can be found who has a thorough knowledge of concrete work.

I am enclosing a circular letter which may be of use to the contractor and will give the dimensions of the curb. If needed we will ship the cement and lumber from here.

I may say that the headstone has not yet arrived but provision will be left in the head of the curb to set the stone as soon as it arrives.

The above named soldier is buried in the C. of E. cemetery at Southern Bay, B.B. and it would be appreciated if you could appoint someone to do this work, and certify the bills, for which payment will be made on presentation.

Your kind attention to this matter will greatly oblige,

Yours very truly,

Lieut.
