OPINION OF THE MEDICAL BOARD.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

14. State whether the disabilities are (a) attributable to (b) aggravated by
- (i.) Service during the present war
 - (ii.) Previous active service
 - (iii.) Climate in pre-war service
 - (iv.) Ordinary military service before the war
 - (v.) Serious negligence or misconduct on the man's part. }
- 14 (a). If not due to any of these causes, to what specific condition do you attribute it? }

In all cases such as facial injuries, eye, ear, nose and throat, disabilities, &c., a specialist's report is to be attached with radiographs where possible; and in cases of amputation the exact position should be stated.

15. What is his present condition? *Large irregular scar*
(A note should be made as to Weight in all cases when it is likely to afford evidence of the progress of the disability.)
Large extent in middle of crest of ilium posteriorly to a point midway between anterior superior spine and umbilicus. Also scar about six ins. long anterior surface abdominal wall.

16. Was an operation performed? If so, when and what was its nature? *Wound - now healed.*
17. If not, was an operation advised and declined? *Painful on pressure - complains of pain on wearing belt and inability to carry pack.*
18. *In the case of loss or decay of teeth,—Is the loss of teeth the result of wounds, injury or disease directly attributable to active service or through service under such conditions that dental treatment was unobtainable?
19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding. State whether or not they are attributable to or have been aggravated by service during the present war, and if so, to what or by what specific military conditions?

20. Do you recommend—
- (a) Discharge as permanently unfit?
 - (b) Change to United Kingdom?
- Note—(b) is only applicable to soldiers invalided at Foreign Stations.

With reference to the enclosed Cheque £2.0.0. which was forwarded to you for payment 16/11/18. It appears that this was handed to the Soldier without the customary form of receipt on reverse being completed by you, and was subsequently cashed by him through Mr. J.W. Horsey, who states that as you do not wish to endorse it he has not been able to obtain payment through his bankers. To assist matters the cheque has now been made payable to the Soldier and if you will be good enough to instruct him to complete receipt portion on reverse he can then hand it to Mr. Horsey. If in future you prefer that Cheques should be made payable to individual Soldiers, please indicate on their applications.

Have got 3622 Pte F Quinton to sign on reverse of Cheque as requested & hand it to Horsey. I would be much obliged if cheques are made out in the men's names as otherwise it would upset the imprest account of the Hospital.

With reference to the enclosed Cheque £2.0.0. which was forwarded to you for payment 16/11/18. It appears that this was handed to the Soldier without the customary form of receipt on reverse being completed by you, and was subsequently cashed by him through Mr. J.W. Horsey, who states that as you do not wish to endorse it he has not been able to obtain payment through his bankers. To assist matters the cheque has now been made payable to the Soldier and if you will be good enough to instruct him to complete receipt portion on reverse he can then hand it to Mr. Horsey. If in future you prefer that Cheques should be made payable to individual Soldiers, please indicate on their applications.

OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

 - (b) The present condition thereof.

See Rec 15 for description of wound
Qays he feels no pain or discomfort

22. State whether the disabilities are:— (a) Attributable to (b) Aggravated by

 - (v.) Serious negligence or misconduct on the part of the soldier
- Give details:

22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not
- (a) How long is the present degree of disability likely to last?
 - (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

* Loss of teeth on or immediately after active service, should be attributed thereto, unless there is evidence that it is due to some other cause

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures). *nil*
- (b) In case of aggravation or where there is any evidence that there was a disability on entry, what in your opinion was the degree of disablement which existed at the time of joining the Army?

Army Form B. 121.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
