Governor.

In amplification of which I may say that in previous instances of temporary rank such a question has not arisen, in as much as the officers holding temporary commissions in the Newfoundland Regiment has been medical men and have joined the R.A.M.C., in which case their Imperial Pay commended from the date of embarkation in Newfoundland.

In the present instances under review it has not yet known what arrangements will be made, meanwhile I have a tentative claim from one of the officers concerned and since the others may also claim I found it necessary to claim cable for instructions.

Pending further instructions I do not propose to pay Kit allowance only pay of Rank plus Mess allowance from date of embarkation in U. K. to date of commencement of pay from Imperial Forces, and should this be arranged in similar manner to the R.A.M.C., Officers, automatically they will not receive pay from me.

I have the honour to be,
Sir,
Your Obedient Servant.

Paymaster & O. i/c. Records.
