Lieut. F. Rendell.

The right lower bicuspid area was examined.

One of the bicuspid carries a crown. The nerve has not been filled, or only partially filled, and below this is a radiolucent area with rarefaction of the alveolus, and a breaking through of the stratum durum.

This is an infected tooth and such teeth often keep up the rheumatic pains, such as the pensioner complains of, extraction is therefore recommended.

Dear Mr. Cbs,

I am writing the
correspondence re. Leif Benditt for your
guidance. I examined him and also
had an X-Ray taken of the brucifid
in question and find as Dr. Frara
has stated an imperfect rest filling.
This tooth is near the front of the mouth
and extraction for this reason I think
is contra-indicated. I can save this
tooth by removal of the artificial crown
and re-stilizing the rest canal and
then properly filling it again, which
will remove the sepsis that may be present
at the apical third of the root. This will
mean a new crown, and the cost of all
will be ten dollars. Before doing this
I thought it necessary to write you and

obtain your sanction or otherwise; then
I will either go ahead with the treatment
or just extract. The latter course to my

OFFICERS PAY ACCOUNTS.

May 5th, 1916.

In future kindly send a statement of payments made by you and any other particulars concerning the accounts of Officers from Headquarters to this Country; hitherto considerable difficulties and delays have occurred in settling with Officers either first appointed at, or on temporary duty at Headquarters.

The present instances are:-
2/Lt. G.W. Ayre,
" F. Rendell.

So far no intimation has been received by me from any source as to what may have been drawn by these Officers, or as to any special Allowances that may be due to them from you.

Your kind and immediate attention to this and future instances will greatly facilitate settlements through this Office.

With regard to the Officers per "Panonia" they have been paid to last pay period ended 14/4/16; and from the 15/4/16 until their return here their Pay & Allowances will be credited to them, but not paid pending adjustment on their return and receipt of your statements of their account.

They will be provided with A.B's. 64 and all payments should be recorded therein, as well as by your statement.

Capt.

Paymaster & O. 1/c Records.

In my memo. No. 98, mailed March 29th (duplicate mailed April 11th), I enclosed a statement of amounts that I had paid to Lt. Ayre. This has not yet been acknowledged by you, but I trust it has reached you ere this.

Lt. Rendell was paid in full to March 21st.

I respectfully submit that, even if in the past, these statements have been overlooked or delayed, they are now despatched as promptly as possible after the sailing of a contingent. A considerable amount of extra work is entailed for this office when a contingent leaves here, and delays of a day or two are absolutely unavoidable, but you may be assured that this office will not inconvenience you any more than can possibly be helped.

I note your remarks re Officers per "Panonia". Their accounts will be treated in the same manner as those of other Officers who have returned from time to time, and statements of advances will be sent you when they again go on active service.

Dear Fred

As I cannot get to sleep tonight I thought it just as well to drop you a line or two.

I reached here this afternoon about 6:30, & am feeling fairly fit. What I want to ask you is, will you please stop any mail coming along for me, as I expect to come across within a few days. Anyway stop it until you see or hear from ^{me} again.

I believe the Bath has gone down South again now. Last Sunday Charlie Strong, Mick & Louie came down to the C.C.S. to see me, & I was very glad to see that the first two have got their 3rd pip.

Well boy, hope to see you about the end of the week.

Yours sincerely
Fred Rendell

Dear Fred,

Just a few lines to ask you to do
a little favour for me. When I was on my
sick leave I left a blanket at the Pay office.
I put it in a sand-bag & I think it is
down in No. 54.

Will you please ask the mail-coop
to send it along to me, as soon as possible.

We are having very cold weather the past few
days. The new draft of 160 arrived yesterday
afternoon, & look a very good bunch.

Life is very quiet down this way.
Latest restriction is we are forbidden to go to
Winchester Hotels ^{for} any meals.

Trusting Mr Marshall & self are quite
well. Fritz hasn't succeeded in striking your house?

Yours sincerely

In reply to your letter of 28/1/19 (955); I have to inform you that the question of your return to Newfoundland immediately, on the expiration of sick leave, will depend upon the decision of your Medical Board and other circumstances.

In the ordinary course, if you are classified as unfit for general service, you will probably proceed to Newfoundland the first opportunity without necessarily reporting to Winchester.

Kindly inform this Office of the date of commencement, and the period of your leave, and your address so that you may be notified when the opportunity for your repatriation occurs.
