Union Club, Alexandria, Egypt.

Referring to your letter 22/10/15, £18.14.22/ has been paid in to your account with the Bank of Montreal, Waterloo Place. As I understand you will be aware, arrangements were made on departure of the Battalion that Officers should draw pay from the Command Paymaster, Alexandria, only, and which I note you have done to the extent of £15/, and you will doubtless appreciate if drawn through two sources difficult complications must arise. Meanwhile I note the peculiar circumstances of your requirements for extra kit &c.

With regard to special advance, the rule relating thereto reads:-

"The Paymaster is authorized, with the consent of the Commanding Officer, to make advances during foreign service to any Officer, not to exceed in the aggregate a total of \$200.00, for such reasons as he may consider to be becoming to an Officer of the Newfoundland Contingent; such advances being, at the discretion of the Commanding Officer and the Paymaster, repayable wholly or in part or not at all, on such terms as to them may seem good."

from which it will be seen that the authority of the Commanding Officer is necessary. It is under the circumstances no doubt a difficult matter to get this, but without it I can do very little in the matter. Meanwhile so that you are not seriously inconvenienced, I can make a temporary arrangement to meet cheques which may come through to London.

The Acquittance Rolls showing amounts drawn by Officers do not appear to come to this Office regularly, and it is a difficulty to know how your account actually stands; but without prejudice, and as in the case of other Officers, your credit will be protected within reasonable bounds.

Have you claimed for loss of kit?

Dear Dr. Rendell,

Capt. H. Rendell, M.C., Deceased.

I received your letter of 10/11/18 on 2/12/18 (10401), and have been endeavouring to ascertain as much information as possible regarding your son's death.

As telegraphed to the Dept. of Militia on 16/11/18, 2/Lt. McHenry stated that he saw Capt. Rendell killed instantaneously in a shell hole by a machine gun bullet, near Zonnebeke. I have since had a memorandum from the O.C. 1st Bn. as follows:

"Capt. H. Rendell was killed on Sept. 29th near Keiberg during the advance. While leading his Company about 11.00 on that morning, he was hit by a sniper through the throat, dying within two minutes. He was buried where he died, and a cross erected over his grave."

This appears to differ slightly from what 2/Lieut. McHenry stated. However, I have telegraphed it to the Dept. of Militia to-day. I have written to the Director of Graves Registration & Enquiries to ascertain if it is possible to give the grave site of Capt. Rendell, and, as customary, I will advise the Dept. of Militia as soon as it is known here.

Will you allow me to offer you my sincerest sympathy on the loss of your son, whose death, I know, is universally deplored by all ranks of the Regiment.

Yours sincerely,

Dear Mrs Munn.

CAPTAIN H. RENDELL. deceased.

As verbally explained, Captain Rendell's effects comprising eight packages were shipped to Newfoundland on the 20/1/19, and which I understand have been delivered.

I have just ascertained that whilst various enquiries have been made by this office to the War Office, his Military Cross has not yet been received here, and I have today again written to the War Office on the subject.

With regard to the Grave Site, all particulars so far received, have been transmitted to the Minister of Militia as customary, but for your information I may quote reports from the O.C. 1st Battalion, the latter being in response to a further application for the information desired:-

Received at this Office 19th Nov. 1918.

Captain H. Rendell was killed on Sept: 20th near KEIBERG; during the advance while leading his company, about 11.00 on that morning, he was hit by a sniper through the throat, dying within two minutes. He was buried where he died and a cross erected over his grave.

Received at this Office 16th Dec. 1918.

Fullest details have been sent to Dr Rendell direct by mail. It is deeply regretted this matter was not attended to.

The reply received from the Director of Graves Registration and enquiries, to an enquiry from this office was:-

" In reply to your letter of 10th December 1918, reference 20280/51/R & C., I regret to say that the grave of Captain H. Rendell, M.C. has not yet been located, but your enquiry has been noted, and I will write to you again as soon as I am able to obtain any information.

A reminding enquiry has been addressed to that Branch.

Yours sincerely,
