Opinion of the Medical Board.

NOTE.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii) Expressions such as "may," "might," "probably," &c. should be avoided.

(iii) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165 Pay Warrant, 1918).

(iv) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and diseases to which the soldier would have been equally liable in civil life.

(v) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

Active Service

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

G.S.W.

21. Has the disability been aggravated by

(a) Intemperance? *no*

(b) Misconduct? *no*

(c) Any of the conditions mentioned in Question 20, and if so which?

22. Is the disability permanent? *yes*

23. If not permanent, what is its probable minimum duration?

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

lessened by one half

In defining the extent of his inability to earn a livelihood, estimate it at  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ , or total incapacity.

24. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act? *no*

25. If an operation was advised and declined, was the refusal unreasonable? *no - 16*

26. Do the Board recommend

(a) Discharge as permanently unfit, *yes*

Dear Sir:-

I thank you for your favour of the 11th inst with enclosures of cheques for \$20.00 difference clothing allowance and \$120.00 for three months post discharge pay. I have before me a clipping from the paper in which it says in the case of an officer or man without dependants whose pay and allowances as above described are less than \$70.00 for a 31 day period a consolidated rate of \$70.00 will be paid in lieu of every 31 or 30 days pay and allowance to which he is entitled. I also understand we are entitled to 5 months post discharge pay which would still leave me a balance to my credit of \$230.00
