INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. OPINION OF THE MEDICAL BOARD.

NOTES.—(i) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

21. Give diagnosis and particulars of:—
- (a) Any disability claimed or discovered.
 - (b) The present condition thereof.

22. State whether the disabilities are:—
- | | (a) Attributable to | (b) Aggravated by |

| (ii) Previous active service | | |
| (iii) Climate in pre-war service | | |
| (iv) Ordinary military service before the war | | |
| (v) Serious negligence or misconduct on the part of the soldier | | |
- Give details:

- 22 (a). If not due to any of these causes, to what specific condition do the Board attribute it?

23. Is the disability in a final stationary condition? If not
- (a) How long is the present degree of disability likely to last?
 - (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.
