Dec. 1st 1919.

Grand Falls Station.

Hon. Rendell.

Dear Sir,

I am sending you a word to see if you could do anything about what I am stating this letter about. It is three weeks since I have been to Doctor Scott at Grand Falls to get examined and get news to the Board of Pensions about my Pension money. I have written to the Board a week ago about it and have received no news about it as yet. Well I will like to get news about it as soon as this is received for I am badly in need of the money. In any case I want to get news before the end of this week if it can be done at all. I shall like to know the delay whatever it is. I do not think I should have to wait so long as this about my own pension.

Please try and get news to me about it before the end of this week for I don't think I should have to wait on this about any longer.

Yours as ever

Sgd. 3433 Renald Saunders.

Acting Colonial Secretary,

C I T Y

Sir:-

I have the honour to acknowledge receipt of your letter of 21st Feb. enclosing letter from Mrs. R.J. Saunders, Seldom-Come-Bye with reference to furlough for her husband, No. 3433, Private R.J. Saunders. With reference to the matter of furlough, I am writing Mrs. Saunders to corroborate the statement that the matter of furlough is entirely in the hands of the Officer Commanding his Battalion.

I have the honour to be

Sir,

Your obedient servant,

Acting Minister of Militia.

Feb. 25, 18

Mrs. R.J. Saunders,
Seldom-Come-By,
Fogo.

Dear Madam:-

Your letter of Feb. 1st addressed to the Colonial Secretary has been forwarded to this Dept., which is the proper one for handling all matters pertaining to military affairs. It is noted that you wish to obtain furlough for your husband. In this connection I might say that a cable has just been received from the Record Office, London, which notifies that 3433, Private R.J. Saunders is now at Depot, Winchester. He is, apparently, sufficiently recovered to return to duty; but, of course, it will be some considerable time before he is available for service in France.

The present War Office regulations concerning furlough for overseas soldiers is very strict, and only men being sent home for discharge are permitted to be repatriated. It is regretted, therefore, that, at the present time, the matter for furlough cannot be considered.

Yours faithfully,

W.F.R.
Major, C.S.O.

21st February, 1918.

I enclose herewith letter under date 1st inst., from Mrs. R. J. Saunders, of Seldom-Come-By, in which she has reference to the matter of the next of kin of her husband, No. 3433, Private Ronald J. Saunders, as given in the records, and also with regard to furlough for the said soldier.

I note that she has already been informed by your Department of the reason why her name had not previously been entered as next of kin.

With respect to the matter of furlough, I have informed Mrs. Saunders that this is one which is entirely in the hands of the Commanding Officer of the Regiment, and that we cannot possibly interfere in the same.

I have the honour to be,
Sir,
Your obedient servant,

W. W. Halford
Acting Colonial Secretary.

Dear Mrs. Saunders,

Your letter of 25th December addressed to Mr. R.A.Squires, has been forwarded to this department, and I am directed to inform you that when your husband enlisted he gave his next of kin as his brother, Mr. A.Saunders, consequently when the casualty report was received on the 11th December, your brother was the one to be notified.

The necessary alteration has been made in the records of this department showing you to be the next of kin.

For your information I would state that this department took over all matters pertaining to casualties from the Colonial Secretary's department on January 1st.

Descriptive Return of a Soldier Discharged on Account of Disability

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
