Opinion of the Medical Board.

Notes: (i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—
- (i.) Service during the present war; *Yes*
  - (ii.) Climate; *=*
  - (iii.) Ordinary military service; *=*
  - (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or *no*
  - (v.) Whether it is constitutional or hereditary. *no*
- (b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it? *H.S.W.*
22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which? *—*
23. Is the disability permanent? *Yes*
24. If not permanent, how soon do the Board recommend re-examination? *—*
25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

During the great war  
my nephew, Frederick Randell  
enlisted in England in an  
English Regiment. His  
number was 3247. Rank as  
a Private. I have written  
to the Militia Dept. to try  
and find out his whereabouts.  
These officials have given  
me no satisfaction. I sent  
them his transfer, discharge,  
certificate and asked

out what they can of the whereabouts of their brother.

If you cannot do anything in this matter, could you give me the address of some party or person to whom I could write to obtain some probable information.

Respectfully Yours  
Mrs Mark Jones.

them to return the same but they have failed to do so.

I now need the certificate in order to get a war Medal which is at the Record office for him.

Will you please see into this matter and secure Frederick Randells certificate from the Militia Dept.

Is it in your power to try and find out the whereabouts of F. Randell, if so, I would be much obliged if you would do so. His brother and sister are living here and are anxious to find
