My dear Whitaker,-

In the Draft which was despatched on the 12th inst., there are returning several men who had been previously overseas and returned to Headquarters. Notably Kean, Scott and Ivany. It was a matter of some comment here when these men were returned, as there was nothing in the condition of their health that would seem to require repatriation, and they were not of the stamp of men whom it was considered that an officer would return for home defence work, their conduct sheets being anything but satisfactory. Under ordinary circumstances it might be considered good policy to discharge such men, but as they are physically fit, it would be nothing short of a crime to allow such men to get their discharge because of their own misconduct and general bad character. Their place is in the first line, and if they cannot conduct themselves properly they should be dealt with ~~in accordance~~ with regulations. The Minister of Militia has been none too well pleased at these men having been returned together with one or two others who have evaded the draft and I would suggest that there is nothing to be gained by your returning this type of man to Newfoundland unless he is considered permanently unfit for General Service.

Descriptive Return of a Soldier Discharged on Account of Disability.

INSTRUCTIONS—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. I. C. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
