Dear Sir,

It was with the greatest regret that the Government received a message from the Record Office, London, reporting that your son, Private Allan Augustus Sellars, had died of tuberculosis at the Citadel Military Hospital, Cairo, on the 19th instant.

Permit me to express to you on behalf of the Government, as well as for myself, sincere sympathy at this time. But though we feel the parting and though the heart is heavy with its loss, yet it is a glorious thing to think that your gallant boy early responded to the call of duty and made his stand for the establishment of Righteousness, Truth and Liberty upon the earth. We are all proud of our brave and noble boys but no less do we esteem the unselfish fathers and mothers who so willingly gave their boys when the call of duty came. Though your boy has laid down his earthly weapons he wears the Soldier's Crown of Victory and his name is inscribed upon the glorious Roll of Honour and will be held in fragrant memory by all his fellow-countrymen. When the end of this war comes and an honourable and abiding Peace will have been established, it will be your proud thought that your dear boy did to the utmost of his ability to bring about such result. I trust that the Great Father may give you of his love and comfort at this time.

Believe me to be,

Yours sympathetically,

Mr. Samuel Sellars,
