Dear Sir

will you please inform me at
your earliest convenience the whereabouts of a man
by the name of "Short" which is in a Hospital
in London with his leg off apparently from gunshot
winded on active service some where for our country
he came over from Newfoundland with a Contingent
from that part but I do not know which & as he
is a 1st Cousin of mine I should like to know his
whereabouts so as I could visit him. He is the Son
of George Short of Hinton St. Mary Dorsetshire
last heard of in 1888 when his Nephew came
back to England trusting you will endeavour to find
him out & ask him to communicate with the above
address in the mean time I am making further
enquiries about him

I am Sir
Yours respectfully

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.
Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.
The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.
Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the patient. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability.
10. Place of origin of disability.

July 1st 1916
Ypres? Somme

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

German line. Patient was wounded during an attack on Stationary Hospital where L. leg was amputated through thigh. Incisions were made into left arm. On admission here on August 25th there was flesh amputation through L-thigh & several wounds in region of L. elbow with limitation of movement of elbow joint

12. (a) Give your opinion as to the causation of the disability.

Active Service

(b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 3).

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

- (ii.) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165 Pay Warrant, 1913).
- (iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.
