Dear Sir

In receipt of

your communication of November 23rd intimating that my son Pto Richard L. Jr. Short 1202, was among the number who is now believed to be killed in action on the first of July.

As for myself, until some more sure foundation is given to me than has been given me at present I am not convinced that my son was killed on that day. I am not going to mourn for him as yet & until some fragments of his clothing or some of his apparel is picked up on the battlefield where he fought or some address being given me that has been given me as yet. I will believe that he is a prisoner of war Germany, although our hearts has been filled with sorrow since the onset of that memorable day. Yet my own personal conviction seems to tell me that my son is yet numbered with the living

Trusting that my convictions will
yet prove true. But until some more
sure foundation is given me concerning his
death. Then & not till then will we
solemnly mourn the loss of one we loved
so well.

I beg to remain

Yours
Annie Short
