Dear Sir,

Mr. Richard Simms, McCallum Harbour,
Hermit Bay, whose son Wallace volunteered
and went to St. John's with the Baucroft
lot when the 'Fiona' came here in February,
desires me to ask you if you will kindly
favour him (1) by addressing the enclosed
letter to his son, (2) by sending him his
son's address. The boy promised to write
to his father and give him his Regimental No.
and address, but the father has heard
nothing from him since he left here.
The father would also like to know what
arrangement his son made with regard
to his monthly pay.

Thanking you in advance for your kindness,

Yours sincerely,

Opinion of the Medical Board.

Notes.—(i) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

- (ii) Expressions such as "may," "might," "probably," &c., should be avoided.
- (iii) The rates of pension vary directly according to whether the disability is, (a) caused or aggravated by service in the present war, (b) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentials between them.
- (iv) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.
- (v) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a) State whether the disability is clearly attributable to—

- (i) Service during the present war;
- (ii) Climate;
- (iii) Ordinary military service;
- (iv) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v) Whether it is constitutional or hereditary.

(b) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

H. L. W. injury to hand in service

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

Degree of disablement should be expressed in the following percentages—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

80

26. If an operation was advised and declined, was the refusal unreasonable?

see b.c.

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

for return to Wandsworth and

28. If discharge is recommended it should be stated whether further medical treatment (including orthopedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

Date 9.4.18 Signature W. Simms

NOTE.—This Army Form will be given to all patients in Hospital to complete who are suffering from a disability sufficiently serious to make discharge probable. In the event of the man being brought before a Medical Board for discharge, this Army Form will be produced to the Board, together with other documents laid down in para. 4 (ii), item 3, of Army Council Instruction No. of 1916.

When the soldier who is to be brought before a Medical Board is not a patient in Hospital, and in substitution cases, these instructions will be carried out by the man's C.O.

Descriptive Return of a Soldier discharged on account of Disability.

INSTRUCTIONS.—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital. Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.1.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
