With reference to attached copy of this office memorandum No. 425/19 exchanged with the G.C. 1st Battn.

In view of the increased risk of overseas mails, it is proposed to withhold despatching in accordance with the requests named pending possible more settled state of affairs. Meanwhile the matter may be of interest.

In any case it is proposed, with your concurrence, that the medals should be forwarded to you for ultimate distribution, as such means would better verify and establish delivery than if sent direct, please.

No. 17.

Government House,

17 February 1917.

Sir,

I have the honour to acknowledge receipt of your letter No. 347/7 of 11th January on the subject of the publication of the list of Missing on July 1st who were officially reported through the Foreign Office as not Prisoners of War and therefore presumably killed in action.

The correspondence arose by reason of a sudden emergency. A Mr. Snow of Pleasant Street published a statement based on correspondence with a Society in Switzerland which implied that a number of the Missing on July 1st were Prisoners of War in Germany. Mr. Snow read a wrong construction in the information which he received; but his letter to the Mail and Advocate was calculated to raise hopes on insecure foundation and to disturb the minds of many households which had gradually become reconciled to the belief that their sons had been killed in action although the positive proof by identification was still wanting.

It was of the first importance that this feeling of hope should be gently removed from the public mind; so I applied through the official channels for authority to tranquillise the public mind.

It will be some satisfaction to Mr. Snow - who refused to discuss the matter personally with me - to learn by your Telegram of 16th instant (No. 888) that his son No. 635 L/C F.E. Snow who fell on the 1st July and who was posted as missing has received the posthumous honour of the Military Medal for conspicuous gallantry on the day of his death.

I have the honour to be,

Sir,

Your obedient servant,

Governor.

Major H. A. Timewell.

23rd November, 1916.

Dear Sir,

For some time past the Imperial Government have been making enquiries in relation to those men of the First Newfoundland Regiment who have been reported missing since the action of the 1st July. I very much regret to state, however, that from the correspondence which has taken place, a copy of which I enclose, it is evident that none of them are Prisoners of War in Germany, and the authorities are, therefore, reluctantly forced to the conclusion that all these gallant men, whose names are given in the enclosed list, and one of whom was very dear to you, were killed in that fateful action on the 1st of July.

I desire to express to you on behalf of the Government, as well as for myself, the sincerest sympathy in this time of sorrow. We feel the loss of our loved ones, but it will, no doubt, be some consolation to you to think that he, for whom you now mourn, willingly answered the call of King and Country, did his part nobly, and fell, facing the foe, in defence of the principles of Righteousness, Truth and Liberty. Though he has laid down the earthly weapons of warfare, he now wears the Soldier's Crown of Victory, and his name will be inscribed upon the Glorious Roll of Honor, and be held in fragrant memory by all his fellow-countrymen. When the victory is won, and Peace again reigns upon the earth, it will be a comforting thought to you that in this glorious achievement he bore no small part.

I trust that you may have the Grace and consolation of the Great Father of us all at this time.

With sincere sympathy,

Believe me to be,

Your obedient servant,

Colonial Secretary.

Mr. George Snow,

Government House,

17 February 1917.

No. 17.

Sir,

I have the honour to acknowledge receipt of your letter No. 347/7 of 11th January on the subject of the publication of the list of Missing on July 1st who were officially reported through the Foreign Office as not Prisoners of War and therefore presumably killed in action.

The correspondence arose by reason of a sudden emergency. A Mr. Snow of Pleasant Street published a statement based on correspondence with a Society in Switzerland which implied that a number of the Missing on July 1st were Prisoners of War in Germany. Mr. Snow read a wrong construction in the information which he received; but his letter to the Mail and Advocate was calculated to raise hopes on insecure foundation and to disturb the minds of many households which had gradually become reconciled to the belief that their sons had been killed in action, although the positive proof by identification was still wanting.

It was of the first importance that this feeling of hope should be gently removed from the public mind; so I applied through the official channels for authority to tranquillise the public mind.

It will be some satisfaction to Mr. Snow - who refused to discuss the matter personally with me - to learn by your Telegram of 16th instant (No. 888) that his son No. 685 L/C F.E. Snow, who fell on the 1st July and who was posted as missing, has received the posthumous honour of the Military Medal for conspicuous gallantry on the day of his death.

I have the honour to be,

Sir,

Your obedient servant,

W. Davidson
Governor.

Major H.A. Timewell.
