Record Office, London states to-day 750 Private William Snow

previously presumed dead, now reported buried, having been killed in action or died of wounds on or after October 12th, 1916.

J.R. Bennett,

Acting Minister of Militia.

G.

3rd May, 1917.

Dear Sir,

I regret to inform you that your son, No. 750, Private William Snow, who was officially reported Missing on October 12th, 1916, is now officially believed to have been Killed in Action on that date.

I desire to express to you on behalf of the Government, as well as for myself, the sincerest sympathy in this time of sorrow. We feel the loss of loved ones, but it will, no doubt, be some consolation to you to think that, your son willingly answered the call of King and Country, did his part nobly, and fell, facing the foe, in defense of the principles of Righteousness, Truth and Liberty. Though he has laid down the earthly weapons of warfare, he now wears the Soldier's Crown of Victory, and his name will be inscribed upon the Glorious Roll of Honour, and be held in fragrant memory by all his fellow-countrymen. When the victory is won and Peace again reigns upon the earth, it will be a comforting thought to you that in this glorious achievement he bore no small part.

I trust that you may have the Grace and consolation of the Great Father of us all at this time.

With sincere sympathy,

Believe me to be,

Your obedient servant,

Mr. John Snow,
