This is a matter entirely within your jurisdiction: we simply forward Judge Johnson's request.

I have the honour to be

From O.C. Depot,
Headquarters,
To Officer Commanding,
Forestry Companies.

I have your communication of 28th inst., noted as emanating from you and signed by your Adjutant. 128 Cpl. T. McGrath. This man is reported as fit for service in the Regiment, and will, therefore, not be available for duty with the Forestry Companies.

#3841. Pte. A. Squarry. I am agreeable to the transfer of this man to the Forestry ~~Companies~~ Companies, and am arranging accordingly.

The Medical Officer of the Depot is of the opinion that if the condition of this man is as he states, he is not fit for service in the Forestry Companies.

In arranging transfer I do so with this memo., and you will have to settle it up with your Medical Officer, as to his fitness or unfitness for the Forestry.

Sir:-

#5841 Pte. A. Squarry.

I have the honour by direction to write you regarding the marginally noted soldier.

It is desirable, if possible, to have these soldiers transferred or attached to the Nfld. Forestry Companies. Corp. McGrath is a qualified engineer and also a good motor mechanic and would be a very useful man to the Forestry Companies. Pte. Squarry is a blacksmith and so far we have not enlisted a blacksmith in the Forestry Companies. It is absolutely necessary that we have a good blacksmith. Will you kindly give this your earliest attention as it is desirable to have these soldiers proceed overseas by the next draft, which we hope to get away very shortly, if they are transferred.

Report on Pte. 3841, Pte. Squarry.

This man has been reporting to sick parades for some time complaining of weakness and pains in the legs, which I think is due to physical exercises, he not being used to it. I have him under treatment and off duty. If his condition is as he states, he is not fit for service in the Forestry Companies. However, he seems to respond to treatment somewhat. I think possible he might be fit for service in Regiment after rest and treatment.

Report on Cpl. McGrath.

I cannot find anything wrong with this man, and my opinion is, he is fit for service in Regiment.

For information. Keep an eye on the man Arthur Squarey

Dear Sir:-

A man from this place, by the name of Arthur Squarey is proceeding to St John's tomorrow for enlistment in the Army. I would like to call your attention to him. He is a strong capable fellow, a first class mechanic. He has served his time at that work ever since he was a boy ~~both~~ both in this Country and in the United States.

He had made some sacrifice for the Great Cause, as he is owner of one of the best equipped machine shops in the Country outside of St John's and has been making \$120.00 or \$140 per month.

It seems a pity that he should serve as a mere private, it would be burying an excellent talent. If he could be given a position in some mechanical dept. I feel sure he would serve his Country to better advantage.

I cannot help bringing this matter to your personal notice.

Yours truly,

sgd. Wm. Grant.
