Dear Sir:

Your letter of Sept 2 to hand  
many thanks for reply: with reference to  
the first instalment of War Goalbook forwarded me  
I may say it arrived on the same date of  
writing you. It was laying in G.P.O for  
two weeks. Also the second instalment was  
duly received last week. Thanks for making the  
necessary changes in my street address  
Also concerning your reply re my discharge badge  
which I am looking forward to.

Could you possibly look up and fill  
out a Character Certificate for me. Its  
undoubtedly it might come in useful to me  
in future.

And oblige  
Very cordially yours

Dear Sir,

I am directed to acknowledge receipt of your letter of 8th July advising that you intend leaving for Canada on the 20th instant for a holiday of from three to six months and asking to make arrangements with regard to the payment of your pension during your absence.

I think the best plan would be to let me know the name and address of your bankers to whom I could forward your monthly cheques made payable to them and crossed in your name. The Bank would acknowledge receipt to me stating that the amount of the cheque had been placed to your credit and at the same time advise you what is being done. In this way I could obtain suitable receipts for our auditors and thereby save your wife the trouble of unnecessary work. As a matter of fact I have made similar arrangements with other Newfoundland pensioners who are out of the country at present and it has always been satisfactory. The reason I make this suggestion is because if you desire to have your pension cheques made payable to your wife during your absence I would have to write to the authorities in Newfoundland for the necessary authority to do so, and there is no time to do that now before your departure.

Perhaps you would advise me if this arrangement meets with your approval, when I shall be glad to have same carried out.

Yours faithfully,
