I have your of 17th enquiring
about the condition of 5431 Pte. D. J. Stockly Port Kentry.

I have been in communication with Major Macpherson
with a view to having him sent to the Convalescent

My last visit to him was on the 8th inst; and I
thought they that in about three weeks he might
travel to St. Johns.

I promised Major Macpherson that I would
let him know as soon as Stockly could come, and
I suppose that arrangement holds at present.

I hope to pay Pte Stockly another visit
during the coming week.

Dear Sir, I was to-day handed a letter received by St. J. Stockly #5413, Post Box 107 from you, in which he was requested to get a doctor's certificate as to how long a time would elapse before he would be fit for active service.

I have been in attendance on him since June 7th and am still visiting him.

I reported his condition on or about June 24th when I also reported St. Baxter Barbour #5255 as convalescing to the District Officer Commanding.

I don't think Stockly will be the least good for active service under three months, and possibly not then.

at present ^{and} - till further instructions - I am attending him at the Government's expense, as in the case of Barbour.
