and am now to confirm the following message sent in reply 6/4/20,-

"With reference to your telegram 3rd April-Stride-date-

For your information I am to state that the burial of the above named deceased soldier was delayed owing to the fact that it was impossible for the hospital authorities concerned to arrange for his interment to take place on the first regular weekly burial day following his death. As the regulations governing The London Necropolis, Brookwood only permit of burials on Tuesday and Friday in each week, interment was on this account delayed.

REPATRIATION.

It being desirable to repatriate the remainder of this Contingent so soon as possible and opportunities being uncertain, will you kindly state so far as may be practicable, the date on which the following may be discharged from hospital, and be ready to embark?

Pte. B. Stride is still suffering from the effects of pneumonia. The lung has not quite cleared up yet and I do not think he will be fit to undertake the journey for about 2 months.

Probably by that time no treatment will be required on the voyage.
