Dear Mrs. Sulley,

I beg to acknowledge receipt of your letter of the 21st inst., in which you make inquiries as to whether photographs are taken of the place of burial of soldiers who died and are buried in France.

While it is not the practice of the authorities on the other side, to have gravesites photographed still upon request, if the grave is anywhere behind the fighting zone, they will have the grave photographed. We are writing the Record Office, London, requesting them to take action in this matter, and upon receipt of a reply from them, we shall again communicate with you, when, no doubt, we shall be able to inform you that the photograph will be forthcoming.

Yours faithfully,
