OPINION OF THE MEDICAL BOARD.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

Expressions such as "may," "might," "probably," etc., are to be avoided.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

14. State whether the disabilities are

- 14 (a). If not due to any of these causes, to what specific condition do you attribute it? na.

17. If not, was an operation advised and declined? operation advised.
18. *In the case of loss or decay of teeth,—Is the loss of teeth the result of wounds, injury or disease directly attributable to active service or through service under such conditions that dental treatment was unobtainable? na.
19. Give particulars of any other disabilities existing, but not in themselves sufficient to cause invaliding. State whether or not they are attributable to or have been aggravated by service during the present war, and if so, to what or by what specific military conditions? na.

- (b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment.
