With reference to the following  
letter (8281) from Mrs. W.N. Taylor,  
Boot Harbour, Hall's Bay, dated 9/18

"Major Timewell,  
Dear Sir,

Speaking on behalf of my  
parents in law, I now write to ask  
a favor of you. My husband, Wm.  
N. Taylor, 3213 have been away from  
home turning in two years and have  
not yet seen his little child,  
having been born after his departure,  
and he have been wounded twice, in  
fact, he had rec three wounds  
lastly being wounded last November,  
and not being practically fit for  
duty science. Sir, would it be  
possible by any means for him to  
get a furlough at least I do think  
he deserve one, and not alone that,  
but it is the utmost desire of my  
heart for him to once see his  
child, I myself being an orphan  
from babyhood just know what it is  
to be without a father, and then  
there is his aged Father and  
Mother well up in years all grow-  
ing very feeble and the former  
being unable to work due to his  
age. Sir, we, one and all would  
think it a great favor of you if  
you would kindly do your best to  
plet him have a furlough or dis-  
charge parferred, I wrote to Sir  
Alex. Harris Gov. and in reply to

I enclose herewith original letter from Mrs. W.N. Taylor, dated 4/9/18 (8281) on the subject of a furlough for the above-named soldier. Will you kindly reply to this office, and return enclosure?

It is regretted that the granting of this furlough cannot be considered. The orders on the subject, issued when furlo. was granted to the "Blue Puttee" men, are very explicit. I have had many equally deserving cases brought to my notice and have in no case been able to sanction one of them.

Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. He will also carefully distinguish cases entirely due to venereal disease.

- 10. Place of origin of disability.

11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case.

12. Give your opinion as to the causation of the disability, stating whether in your opinion it is—

- (b) constitutional or hereditary, and not aggravated by service during the present war.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

21. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

*Scar behind right scapula, healed. Above this a second scar attached to upper border scapula a bony growth which moves with the scapula. Has full movement. Scar across thumb, healed. Some loss of power in thumb & G.S.W.*

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

*Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.*

*20%*

26. If an operation was advised and declined, was the refusal unreasonable?

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) Change to England?

*Yes*

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

29. With reference to Army Council Instruction No. 1275 of 1917, is any surgical appliance recommended?

30. Does the man require the constant attendance of another person?

I understand when I was discharged that I was entitled to the bonus which is given. I was discharged on the twenty third of January I haven't received any bonus yet. I know fellows which were discharged the same day & have received the bonus money about twenty days ago. I am a married man with a wife & child. & I have my shoulder just about broken up. I can only do light work & I am only getting ten dollars ~~of~~ pension per month I think there must be a mistake somewhere. I know a certain fellow was turned down with heart trouble he never seen France & he is getting twenty four per month I think its only right that I should get what other married men are getting. I am trying to get a home & its but a very little work I can do please Sir will you see that I get my rights.

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i. c. Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
