Dear Sir;

I am requested by Mrs. Catherine Templeman, mother of the late Private Donald Templeman, No 1236 of the first Newfoundland Regiment to write you to say that so far none of his personal effects have been returned. She says other parents have received the effects of those who have made supreme sacrifice, and she would like to get what belonged to Donald. I do not know if any record is kept or not but think there is, and as you are in touch with matters pertaining to our boys perhaps you might be able to trace them. I know he was at several "Camps".

I will be very greatly obliged if you will institute enquiries to see if these effects can be located, and if so please have them sent home first possible chance,

It may be that this does not come under your Department. If not will you please take up the matter with the proper authorities to see what can be done.

Yours very truly,

PHILIP TEMPLEMAN,
