OPINION OF THE MEDICAL BOARD.

NOTES.—(1) Clear and definite answers are to be filled in by the Board, as, in the event of a man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.
