## Statement of Case.

Note.—The answers to the following questions are to be filled in by the Officer in medical charge of the case. In answering them he will carefully discriminate between the man's unsupported statements and evidence recorded in his military and medical documents. He will also carefully distinguish cases entirely due to venereal disease.

9. Date of origin of disability. 16<sup>th</sup> June 1916.
10. Place of origin of disability. France. Arras.
11. Give concisely the essential facts of the history of the disability, noting entries on the Medical History Sheet bearing on the case. Enlisted 8<sup>th</sup> June 1915. Went to France in March

12. (a) Give your opinion as to the causation of the disability.
- (b) If you consider it to have been caused by active service, climate, or ordinary military service, explain the specific conditions to which you attribute it (See notes on page 8).

13. What is his present condition?

Weight should be given in all cases when it is likely to afford evidence of the progress of the disability.

*Ankylosis of Rt Knee  
Absence of movement.  
Wounds quite healed.*

14. If the disability is an injury, was it caused

- (a) In action? *Yes*
- (b) On field service? *Yes*
- (c) On duty? *Yes.*
- (d) Off duty?

15. Was a Court of Inquiry held on the injury?

If so—(a) When?

(b) Where?

(c) Opinion?

16. Was an operation performed? If so, what?

17. If not, was an operation advised and declined?

## Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

*Active Service*  
*R. G. W.*

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

*No.*

(b) Misconduct?

*No.*

(c) Any of the conditions mentioned in question 20, and if so, which?

*Yes.*

22. Is the disability permanent?

23. If not permanent, what is its probable minimum duration?

*✓*

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

*lessened by three quarters.*

In defining the extent of his inability to earn a livelihood, estimate it at  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ , or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

*No.*

25. If an operation was advised and declined, was the refusal unreasonable?

*vide 16.*

26. Do the Board recommend

(a) Discharge as permanently unfit,

*Yes.*

or

(b) Change to England?

## Descriptive Return of a Soldier discharged on account of Disability.

**INSTRUCTIONS.**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Commissioners of Chelsea Hospital.

Statement A should be completed in the Hospital at which the man is attending at the time of his examination by a Medical Board, and the soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station," and "Date" should be in his own handwriting.

The Form will then be attached to the Proceedings of the man's Medical Board, to be completed by the Officer i/c Records when received by him, and will be forwarded by him, together with the remainder of the man's documents, to the Secretary, Royal Hospital, Chelsea, London, S.W.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
