Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Minister of Pensions should be in possession of the most reliable information to enable him to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is, (A) caused or aggravated by service in the present war, (B) due to causes not connected with present war, viz. (1) earlier active service, (2) climatic disease in pre-war service, (3) ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

(iv.) In answering question 21 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

1. (a.) State whether the disability is clearly attributable to—

- (i.) Service during the present war;
- (ii.) Climate;
- (iii.) Ordinary military service;
- (iv.) Want of proper care on the man's part, e.g., intemperance, misconduct, &c.; or
- (v.) Whether it is constitutional or hereditary.

Yes
-
No
No

(b.) If due to one of the first three of these causes, to what specific conditions do the Board attribute it?

St. Lo.

22. Has the disability been aggravated by any of the conditions mentioned in Question 21, and if so, which?

-
Yes
-

23. Is the disability permanent?

24. If not permanent, how soon do the Board recommend re-examination?

25. What is the degree of disablement at which, in the Board's opinion, he should be assessed for pension purposes at present?

100

Degrees of disablement should be expressed in the following percentages:— 100, 80, 70, 60, 50, 40, 30, 20, less than 20, or nil.

26. If an operation was advised and declined, was the refusal unreasonable?

not 16.

27. Do the Board recommend—

- (a) Discharge as permanently unfit, or
- (b) ~~Change to England?~~

Yes

28. If discharge is recommended it should be stated whether further medical treatment (including orthopaedic training) is desirable in a—

- (a) Sanatorium;
- (b) Hospital;
- (c) Convalescent home;
- (d) Asylum; or
- (e) Other institution either as an in-patient or an out-patient, and if so the period for which recommended.

Yes as an O.P. in hospital.

29. With reference to Army Council Instruction No. 114 of 1917, is any surgical appliance recommended?

Antelux

30. Does the man require the constant attendance of another person?

No.

Dear Sir

Will You kindly see what you
can do for me in following matter
on getting my Discharge from
Hospital I was granted a pension of \$30⁰⁰ a
month at which I was satisfied to receive
untill this present month and today I am
cut down \$19⁰⁰ leaving me a pension of
\$11⁰⁰ a month and did not give me a
Medical Board and I dont think that
is quite fair I cannot see why I cannot
get a fair show in this Regiment my leg
is not very well at present and I want
you to see into the matter I am at
present learning my trade Cabinet maker
But it is close down now for about a
month at which I received a salary of \$11⁶⁶
to keep up my house and a wife and a child as
I can also learn that other fellows in my
conditions are getting \$14⁰⁰ themselves and their

Wife \$10.66 and a child \$1.50 per week which = a
salary of \$12.66 per week I cannot see why I
am not entitled to as much as any other
soldier if it is possible I am willing to get my
training finished up by going to school I would
like to get a white at school for to get
a little Education or a train at bookkeeping
I would like to know if you could do anything
in this matter as soon as possible

I remain yours
