Reference to previous correspondence on the subject. Mrs. Welsh is very anxious to accompany her husband to Newfoundland who is returning with the next draft and would like to know if she could get her allotment money due 16/2/17 in advance as she requires this to help defray her expenses.

Reply to above, 1261, 11/2/17.

Allotment due period ending 16/2/17: 20/1/17 - 16/2/17 = 28 days @ 90c. $\$25.20 = \text{£}5: 3: 7.$

It is to be understood that this action is without prejudice or establishing a precedent, for, as you will doubtless appreciate it is very inadvisable to vary custom concerning regular dates of payment.

Opinion of the Medical Board.

Notes.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (*see* Articles 1162 and 1165 Pay Warrant, 1913).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

Active Service A
G.S.W.

(b) Misconduct?

(c) Any of the conditions mentioned in Question 20, and if so which?

22. Is the disability permanent?

No

23. If not permanent, what is its probable minimum duration?

Six months

To be stated in months.

24. To what extent is his capacity for earning a full livelihood in the general labour market lessened at present?

Total at present

In defining the extent of his inability to earn a livelihood, estimate it at $\frac{1}{2}$, $\frac{1}{3}$, $\frac{1}{4}$, or total incapacity.

24a. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

No

Allotment due period ending

16/2/17:

Reference to previous correspondence on the subject. Mrs Welsh is very anxious to accompany her husband to Newfoundland who is returning with the next draft and would like to know if she could get allotment money due 16-2-17 in advance as she requires this to help defray her expenses.

20/1/17 - 16/2/17 = 28 days @ 90c.

\$25.20 = £5 : 3 : 7.

Postal Money Orders being unobtainable on Sundays, this amount can be advanced at your discretion and will be remitted to you tomorrow.

It is to be understood that this action is without prejudice or establishing a precedent, for as you will doubtless appreciate it is very inadvisable to vary custom concerning regular dates of payment.

The wife of No. 1872, Pte. Walsh, H. has written applying for a passport and passage to Newfoundland in order that she may join her husband who was repatriated a short time ago.

Can this be arranged, please, and will it be possible for Mrs. Walsh to travel on the same boat as the next draft for repatriation?

No. 1872, PTE. H. WALSH.

April 23rd 1917.

Reference your Memorandum 20/4/17 (1880), it is understood that passages to women and children cannot be granted; but of course it is possible that regulations may be modified from time to time.

Although application for pecuniary assistance is not necessarily implied, it may be mentioned that it is doubtless understood, as reflected in correspondence culminating in exchange of your No. 11, 9th 11/2/17, that this office is in no way responsible for cost of her repatriation, and although willing to give any reasonable assistance otherwise, opportunities therefor are limited; meanwhile the matter has been submitted to the N. W. C. A. who may have some remarks to make thereon.

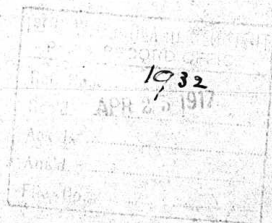

The next outward steamer is due to sail about the 1st. prox.

Major,
Paymaster & C i/c Records.

It was not intended that the application should be regarded as one for a free passage.

Will you please enquire what is the cheapest rate at which this woman can travel and if a passport can be obtained for her?

(Sgd) J.E.J. Fox, Captain
for Lt. Col.
Comdg. 2/1 N.F.L.D. Regt.

over

Officer Commanding,
2/1 Newfoundland Regt.,
Racecourse,
Ayr.

Reference reverse, I am advised by Messrs. Allan that the steamer due to sail on the 1st prox. has been postponed to the 3rd, and that accommodation has been reserved for several women and children.

It is advisable, therefore, that Mrs. Walsh should take this opportunity of joining her husband in Newfoundland, as this is the last sailing by which arrangements have been made to take women passengers.

I understand that the S.S. Co. are writing Mrs. Walsh, giving particulars as to cost of passage etc., the cheapest rate for which appears to be £7 : 5 : 0, and half fare for the child.

If she has not already obtained a Passport, she should fill in the enclosed application form, which must be duly attested by a Magistrate, Clergyman or Doctor personally acquainted with her, affix her photograph thereto and return it immediately.

Even thus it is extremely doubtful whether the formalities governing the issue of a Passport can be completed in time for this sailing, please.

Major,

Paymaster & O. i/c Records.

58, Victoria Street,
London, S.W. 1.
26th April, 1917.

A communication has been received from the Colonial Office, which appears to indicate that Mrs. Walsh is entitled to a free passage. Further particulars will be sent you.

Memo. No. 11, 9/2/17 from O.C. 2nd Lt to P & R.O.

Reference to previous correspondence on the subject. Mrs. Welsh is very anxious to accompany her husband to Newfoundland who is returning with the next draft and would like to know if she could get her allotment money due 16/2/17 in advance as she requires this to help defray her expenses.

Reply to above, 1261, 11/2/17.

Allotment due period ending 16/2/17: 20/1/17 - 16/2/17 = 28 days @ 90c. ~~£25.00~~ = £5: 3: 7.

Postal Money Orders being unobtainable on Sundays, this amount can be advanced at your discretion and will be remitted to you to-morrow.

It is to be understood that this action is without prejudice or establishing a precedent, for, as you will doubtless appreciate it is very inadvisable to vary custom concerning regular dates of payment.
