(b) If the present degree of disability is not likely to last 12 months can a further assessment at a reduced rate be made with reasonable confidence to cover a period of 12 months in all? If so, the reduced percentage and the period to which it will be applicable should be indicated in the answer to Question 24a.

24. (a) What is the degree of disablement at which, in the Board's opinion, he should be assessed at present, independent of hospital or other treatment. (Degrees of disablement should be expressed in the following percentages:—100, 80, 70, 60, 50, 40, 30, 20, less than 20, or Nil) (Vide Royal Warrant of 17/4/18 issued as A.O. 162 of 1918, and Instructions to Pension Boards) (assessment to be stated in words as well as figures).

Sir,

I have to acknowledge the receipt of your letter of the 10th inst., VMF., and to acquaint you in reply that there is no trace at this Office of a letter addressed to 942, Pte. Richard Walsh, of the 1st Newfoundland Regt. If it came in July last it would have been redirected at once to the last known address. Unless it was registered no record would be kept of it. It apparently was not registered. Some 20,000 items of ordinary mail matter passed through this Office in July, and it is not known if Pte. Rd. Walsh's letter from your Bank was amongst them, please.

I all probability the letter in question would have been sent C/o 2/1st Newfoundland Regt., Ayr, Scotland.

I am,

Sir,

(ii.) The rates of pension vary according to whether the disability is (a) caused or aggravated by service in the present war. (b) Due to causes not connected with the present war, viz., (1) Previous active service. (2) Climatic diseases in pre-war service. (3) Ordinary military service before the war. It is, therefore, essential when assigning the cause of a disability to differentiate between them.

23. Is the disability in a final stationary condition? If not

Dear Madam,

In reply to your letter of the 12th instant, I beg to say that the last report received respecting No. 94³, Private Richard J. Walsh, stated that he was progressing favourably. As soon as any further news of him is received, I shall immediately communicate the same to you.

As regards the No. 1549, which you ~~estate was~~ published in one of the papers, I may say that this must have been a mistake in the printing, as we have received no report in this office of any man of the name Walsh having that number.

Yours faithfully,

Dear Madam,

In reply to your letter of the 15th instant, I beg to say that application for furlough should be made to the Officer Commanding the Depot at Ayr, Scotland, in whose hands this matter rests. I would suggest, therefore, that you communicate with your son, Private R. Walsh, and inform him of the way in which his application should be made. I have no doubt that, if his case is one in which furlough should be granted, the application will receive favourable consideration by the Commanding Officer.

Yours faithfully,

Colonial Secretary.
