Medical Report on an Invalid

NOTES :

- (a) This report is solely concerned with Pensions.
- (b) A single copy only is required.
- (c) "Aggravated" being now a technical term, carrying right to pension, discrimination in its use is essential.
- (d) Be as brief as possible compatible with lucidity.
- (e) Avoid dubiety—"perhaps," "possibly," "might" and the like.
- (f) Only sufficient clinical data need be given to establish the degree of disability and assist the Board in arriving at a decision.

"Enclosed please find cheque (endorsed) for \$10.00. Will you kindly forward the equivalent in sterling. I already sent it to the Bank of Montreal (London), but it was returned and they asked for my discharge papers and clergyman's signature, etc. I am expecting this amount regularly for some time. Please advise how I can cash cheques without this difficulty with the Bank of Montreal and oblige.

It is not understood why payment was made direct by the Board of Pensions Commissioners instead of through this office as has been the custom for some time past. in similar cases.

It will be much more convenient for Captain Waterman if payment can be made by this office. Will you kindly ask the Board of Pensions Commissioners to furnish you with the necessary particulars, please.

Dear Sir:-

In reply to your 10452/2/P&A: I have received payment of Separation Allowance at Headquarters for the period 10/5/19-31/5/19. My husband has arranged that my Separation Allowance portion of War Service Gratuity to be forwarded in one payment.

The cheques dated 2nd July were sent me while in Newfoundland, but were not received as I left on an earlier boat than intended, since then these amounts were re-addressed to my address here.

WAR SERVICE GRATUITY.

In a letter received from your wife 16/8/19 (5085): she states that you made arrangements for the Separation Allowance portion of War Service Gratuity to be forwarded to her in one payment. As no advice has been received from the Minister of Militia to that effect and being contrary to the War Service Gratuity Regulations will you kindly say with whom the arrangement was made and if you wish the matter to be referred to the Minister of Militia, otherwise payment will be made by this office to Mrs. Waterman in the usual instalments.

The proceeds of the cheques forwarded by you will be remitted after they have been cleared through the Bank of Montreal which will be in a day or two.

In reply to your 10560/5/P&A: I beg to state that while in Newfoundland I requested the Minister of Militia for my War Service Gratuity to be paid in one payment as I was leaving the country, this request was granted.

I drew what I required at the time, from the Paymaster, and left a balance of \$500.00 (my wife's portion I understand was also included) The boat I sailed on, left before expected and the banks being closed I asked the Paymaster to transfer my balance through your office. Therefore I cannot understand why you should forward me an instalment. I am holding this over in the meantime until I hear from you again.

I understood I was to get a small pension and treatment here but I have heard nothing about it yet. Will you kindly advise me what to do in this matter and oblige.

Yours truly,

I may also say, from the time of my appointment as A/Captain until the end of June my wife received £30.00 per month Separation Allowance, should it not be £40.00 per month please?

WAR SERVICE GRATUITY.

With reference to your letter 8/9/19 (5350) regarding the payment of £43:0:9 War Service Gratuity issued to your wife. The following is an extract of your wife's reply to this office letter 13/8/18, asking if any payment had been made to her on account of Separation Allowance ~~portion of War Service Gratuity~~

"16/8/19. My husband has arranged that my
"Separation Allowance portion of War Service
"Gratuity to be forwarded in one payment.

It was understood from this that she received no payment on that account in Newfoundland but only Separation Allowance and Allotment (as stated in her letter) for the period 10/5/19-31/5/19. Will you kindly advise what payments your wife received from Headquarters, St. John's during the time she was there and after her arrival in this country. At present it appears that payments were made by Headquarters as follows:-

Period 10/5/19 -31/5/19....	Separation Allowance:	£21.29.
	Allotment.	£26.40
" 1/6/19 -30/6/19....	Separation Allowance:	£30.00
	Allotment	£36.00

Cheques for these latter payments were cashed by this office.

As you were retired 14/6/19 overpayment of 17 days Allotment and Separation Allowance was deducted from the payment of War Service Gratuity made to your wife by this office and the difference in rates adjusted as shown on the enclosed statement.

Kindly verify our figures and if Mrs. ~~Water~~ Waterman has already received payment of her War Service Gratuity from Headquarters, please return cheque £43:0:9 to this office for cancellation.

LONDON. S.W.1.

Dear Sir:-

Reference to your 11156/5/P&A. Enclosed please find cheque £43:0:9: for cancellation.

Regret my wife's letter misled you, but at that time the money had not reached her. The reason being as stated in my last letter, that the amount of £500.00 was left in the office at St. John's (being part of my War Service Gratuity and my wife's) to be transferred through you office in one payment.

My wife has now received the total amount of her War Service Gratuity, but not the difference in Separation Allowance from 1/6/19 to 29/6/19.

Please note although my Gazette dated 14/6/19 arrangements were made by the Minister of Militia on arriving in Newfoundland that ~~we~~ were to be paid 28 days after arrival (viz 1/6/19) before our War Service Gratuity began.

Yours truly,
(Signed) F.W. Waterman.

Dear Major Knight:-

I saw Lieut. Waterman today. Thank you for sending him. He has a bad middle ear suppuration on the right side and he has had some anxious symptoms in the way of giddiness. I don't think his ear will get better without the performance of the radical mastoid operation. The only difficulty is that he is anxious to return to St. John's next week with the battalion. If he were staying in this country so that he could be kept under observation there would be no urgency. However, he is returning to see me on Thursday and then we can decide what is best to be done.

He has also a good deal of nasal obstruction from ? hypertrophy and this could be attended to at the same time.

Sincerely yours,

(Sgd) V. S. SYME.

Payment of balance \$500.00 as per your statement has now been paid to Captain Waterman.

It is noted that Separation Allowance portion of War Service Gratuity does not appear on the Account rendered by you, the result being that payment was made by this office to Mrs. Waterman on the strength of her letter 8/8/19, but was afterwards returned by her husband stating that his wife had since received payment from you. He, however, states that his wife is due the difference of \$10.00 per month in rates of Separation Allowance

With reference to the following letter from the above retired officer 18/9/19 (5450):-

"Enclosed please find cheque (endorsed) for £10.00. Will you kindly forward the equivalent in sterling. I already sent it to the Bank of Montreal (London), but it was returned and they asked for my discharge papers and clergyman's signature, etc. I am expecting this amount regularly for some time. Please advise how I can cash cheques without this difficulty with the Bank of Montreal and oblige.

It is not understood why payment was made direct by the Board of Pensions Commissioners instead of through this office as has been the custom for some time past in similar cases.

It will be much more convenient for Captain Waterman if payment can be made by this office. Will you kindly ask the Board of Pensions Commissioners to furnish you with the necessary particulars, please.

R.A. Mitchell Major.

In reply to your 10560/8/P&A: I beg to state that while in Newfoundland I requested the Minister of Militia for my War Service Gratuity to be paid in one payment as I was leaving the country, this request was granted.

I drew what I required at the time, from the Paymaster, and left a balance of \$500.00 (my wife's portion I understand was also included) The boat I sailed on, left before expected and the banks being closed I asked the Paymaster to transfer my balance through your office. Therefore I cannot understand why you should forward me an instalment. I am holding this over in the meantime until I hear from you again.

I understood I was to get a small pension and treatment here but I have heard nothing about it yet. Will you kindly advise me what to do in this matter and oblige.
