Killed in action 9-10-17.

*Auth. letter from A.G.L.C. for

*H.H.*

It appears that when the bodies of the soldiers who were buried in isolated or scattered graves in the area in which the above-mentioned were reported buried, that is about one mile N.E. from Langemarck, Belgium, (approximately Sheet 20.U.17.b.6.3) were being removed to Cement House Cemetery, the graves of these three soldiers could not be identified. Subsequent military operations caused the destruction of crosses and graves registration marks and completely changed the surface of the ground, so that the work of identifying even those graves of which the position was accurately known has been extremely difficult.

There were five Newfoundland soldiers buried at this spot, two of them were identified on exhumation and as the bodies of some Unknown Newfoundland Soldiers were also found, it is believed that three of these unknown graves are of the above-named soldiers.

Instructions have therefore been issued for Special Crosses to be erected in Cement House Cemetery bearing the above-mentioned soldiers names and regimental particulars and the following inscription "Believed to be buried in this Cemetery".

It is much regretted that more satisfactory information is not available and it is feared that the action taken is the best possible
