Your letters to Capt. Tait and to the Minister of Militia have been passed to me for attention.

All this unnecessary trouble would have been avoided had you carried out orders as given you. You were given a pass to a Billett to Feb. 24th and any other information you required re transportation was available at the Depot Orderly Room. You were not asked or expected to pay your own fare, but you were asked to carry out ordinary Military discipline and do things through the regular channel and not as you yourself saw fit.

Your leave is extended to March 24th and a return Travelling Warrant is enclosed. The matter of a refund for the amount you have already paid will be adjusted on your return here.

Minister of Militia,

Sir I would be very pleased indeed to know if you grant me an extension of leave for I have only until the 24th Feb. And the weather being so bad it makes travelling almost impossible.

And will you also please send me a travelling warrant

When I left the R. M. S. Corsican I was given a pass for home but no travelling warrant. I had to pay my own fare on train, and am entitled to that money from the Government which I paid which was \$7.00. I am here with no money. Do please let me know as quick as possible what I am to do. I am yours Obedient

## Descriptive Return of a Soldier Discharged on Account of Disability.

**INSTRUCTIONS**—This form is to be completed in the case of every discharged soldier whose claim to pension, on account of disability, is to be submitted for the consideration of the Pensions and Disabilities Board.

This section should be completed in the Hospital at which a man is attending at the time of his examination by a Medical Board, or, if the man is not in Hospital, by the Medical Officer of the Unit or Command Depot. The Soldier should be given a full opportunity of examining it, as, if awarded a pension, his subsequent identification depends on his confirming this declaration. The "Rank," "Station" and "Date" should be in his own handwriting.

The form will then be attached to the Proceedings of the man's Medical Board and will be forwarded to the O. i/c Records together with the remainder of the man's documents.

Changes occurring in the description subsequent to the date of admission to pension should be noted in red ink.
