Opinion of the Medical Board.

NOTES.—(i.) Clear and decisive answers to the following questions are to be carefully filled in by the Board, as, in the event of the man being invalided, it is essential that the Commissioners of Chelsea Hospital should be in possession of the most reliable information to enable them to decide upon the man's claim to pension.

(ii.) Expressions such as "may," "might," "probably," &c., should be avoided.

(iii.) The rates of pension vary directly according to whether the disability is attributed to (a) active service, (b) climate, or (c) ordinary military service. It is therefore essential when assigning the cause of the disability to differentiate between them (see Articles 1162 and 1165, Pay Warrant, 1918).

(iv.) In answering question 20 the Board should be careful to discriminate between disease resulting from military conditions and disease to which the soldier would have been equally liable in civil life.

(v.) A disability is to be regarded as due to climate when it is caused by military service abroad in climates where there is a special liability to contract the disease.

20. (a) State whether the disability is the result of (i.) active service, (ii.) climate, or (iii.) ordinary military service.

*Active Service and Climate  
Satisfactory H.W.*

(b) If due to one of these causes, to what specific conditions do the Board attribute it?

21. Has the disability been aggravated by

(a) Intemperance?

*no -*

(b) Misconduct?

(c) Any of the conditions mentioned in question 20, and if so, which?

In defining the extent of his inability to earn a livelihood, estimate it at  $\frac{1}{2}$ ,  $\frac{1}{3}$ ,  $\frac{1}{4}$ , or total incapacity.

24A. Is the man suffering from a disability which would obviously, as far as you can judge, cause him to be rejected by an Approved Society under the National Insurance Act?

Dear Sir

I did not-ask for separate  
allowance before.

because I did not-understand  
it- untill now

but- we are badly in need of it  
for my husband is a cripple  
he has been for these past-  
15 years; he has a broken leg &  
paralyzed.

I has one daughter single & she  
is both- silly & cripple was born  
like it- she is 23, but- just-like  
a child of twelve

Dick was our only support -  
I have other sons but - they are  
married years ago  
he used to work in the lumber woods  
and send us near all the maid  
he started work when he was 12 years  
old and followed on until he  
joined the Army,  
which was a big drawback to us  
but - he sent us all he could spare  
while he was in the Army  
but - now he is a cripple himself  
and of course can help us no longer  
you can write to any of the - Justice  
or peace of Bonne Bay & they will  
tell you what - I am saying is true  
I remain yours truly

Separation Allowance

St. John's W.F.C.

Dear Sir

In this case of Mrs Sarah Welch and her husband seeking separation allowance I beg to say that we have no more deserving case than theirs at Borneo Bay. Their only support Pte Richard Welch is now a cripple himself having lost a leg while fighting for his country and thereby no longer a support to them, the other children are all married men of age with the exception of one girl who is a burden by being a cripple from birth, Stephen Welch the father is also a cripple having broken his leg some years ago also a stroke of Paralysis later which put him out of commission regarding his earning powers and he is now 79 years old, the married children have all they can do to support themselves and families so that no help can be expected from them, trusting this case will receive your due consideration.

I am

Yours very truly  
Geo W. Wellington

Dear Madam,

In reply to an enquiry addressed by His Excellency the Governor to the Newfoundland War Contingent Association, London, for a report regarding No. 1609, Private Richard Walsh, the Secretary of the Association states that your son has been a most satisfactory patient. He has always been very cheery and a great favourite at the Hospital, and his general health has been well kept up. Pending a vacancy at Roehampton, where his new leg will be fitted, he has been allowed a period of furlough, which he is now enjoying.

I feel sure that every possible attention is being given him, and that he is being made as happy and comfortable as circumstances will permit.

Yours faithfully,

Mrs. Sarah Walsh,  
Bonne Bay.

Colonial Secretary.
